

REMARKS

The Specification is amended to reflect correct priority information.

No new matter has been added.

Applicants thank that Examiner for pointing out an error in the priority information which appeared in the previous 312 Amendment. Applicants have an unrelated copending case with a similar serial number, which has caused some confusion.

CONCLUSION

If the Examiner has any questions he is encouraged to call the undersigned at (650) 846-7595.

Respectfully submitted,

Date: August 31, 2009
